TO THE PRESIDENT OF "TEMPLE ISRAEL," NEW YORK,

DANIEL P. HAYS, ESQ.

In consideration that through his influence, this Congregation is the first and unique among the reformed to establish a Succah in connection with their Temple, the Editor takes much pleasure in dedicating the tract which treats about the Succah, to him, to the Rabbi, and all the associates who took part in introducing same.

Very respectfully,

MICHAEL L. RODKINSON,

New York, Tuesday •••• •••, April 25th, 1899.
